

## **T10 Merit Badge Schedule for Bartle Summer Camp**

They are listed alphabetically. Scroll down to your listing.

If you see blanks, that could be for one of several reasons:

- 1) The badge had a conflict with another badge
- 2) The schedule I received had blanks
- 3) The badge was full
- 4) The Scout had already earned a badge he selected
- 5) No 'Alternate Badges' were selected

If you want to add/change a badge, please request this ASAP to:  
hastrain@aol.com

Last minute requests won't be possible.

Please prepare accordingly. Check for required pre-work that might be needed. These are listed on our website. Please plan to have enough cash to cover the costs associated with some of the badges.

Please print your schedule and bring it to camp with you.
